

PRIMARY ENGINEER® PROGRAMMES

Our Programmes:

Early Years Engineer

Primary Engineer

Secondary Engineer

Leaders Award

The Institution of Primary Engineers

The Institution of Secondary Engineers

PG Cert: Engineering STEM Learning

We provide:

- CPD for teachers throughout Early Years, Primary and Secondary education
- Practical projects mapped to the National Curriculum
- The opportunity to develop your wider teaching practice through Master's level study
- An inclusive, meaningful and sustainable way to introduce engineering to your curriculum!
